

**MAY 2015 SPECIAL EDITION**

**“EASTLAND DISASTER  
EXHIBIT OPENING  
& SPECIAL PROGRAM”**

**MAY 15 AT 7PM.  
LAHS MUSEUM**

Please come and join us on **MAY 15 AT 7PM. AT LAHS MUSEUM** as we retrace the tragedy of that ill fated day of July 24, 1915 when the S.S. Eastland, a passenger ship for tours, rolled over in the Chicago harbor killing over 800 on board. 2015 marks the 100 anniversary of that historic event. A day of family fun sponsored by Western Electric Co. suddenly turned into a tragedy. There were some residents from Lemont on the Eastland that day, so the story should hold special meaning for us as well.

The Eastland Disaster Historical Society will be part of this special program and opening of the exhibit on this event so near and dear to their own hearts. We are honored to have as a special presenter, Ted Wachholz, who in association with the Chicago Historical Society and the Eastland Disaster Historical Society wrote, “The Eastland Disaster” (Images of America). **Please mark this date May 15 at 7pm. on your calendar and spread the word.**
